

EARN 1.5 CME CREDITS WHEN YOU ATTEND A SEMINAR:

PRESCRIPTION ABUSE: THE PERSPECTIVE OF LAW ENFORCEMENT, PHARMACISTS, AND DISPENSING CLINICIANS

The Doctors Company is fiercely committed to advancing, protecting, and rewarding the practice of good medicine. You're invited to join us for a seminar designed to help physicians and healthcare professionals identify and reduce risk.

PURPOSE

Prescription medications, when used as prescribed, play a critical role in improving patient health. However, when misused or abused, they can be dangerous or even deadly. In November 2011, the Centers for Disease Control and Prevention reported that more people die in America every year from prescription drug abuse than die from heroin and cocaine combined. This timely seminar will address a wide variety of issues that include prescription fraud, drug diversion, and management of patients on chronic opioid therapy.

EARN 1.5 CME CREDITS

The Doctors Company is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Doctors Company designates this educational activity for a maximum of one and one half (1.5) *AMA PRA Category 1 Credits™*.

Physicians should claim only the credit commensurate with the extent of their participation in the activity.

QUALIFY FOR A 5 PERCENT PREMIUM CREDIT

Eligible members who attend a seminar may qualify for a 5 percent premium credit at their next renewal.

PRESENTERS

- Sonny Nguyen, JD, RRT, CPHRM, Director, Department of Patient Safety and Risk Management, The Doctors Company
